| 1 | The music both at the practica and in Bar Cleveland have become much better since the standards for DJing have been risen. I would appreciate if DJs who play not danceable or unsuitable music be removed from the job. I see the biggest improvement with the Sunday practica, since the first half is dedicated to certain orquestras. | 6/25/2017 4:23 PM |

| 1 | I think that announcements on FB as to who is DJing on the regular events on sundays and wednesdays should be done earlier. It is important to know who the DJ is when it comes to deciding whether to attend a milonga/practica or not. The event organisation has become much better since the possibility to book tables has been minimised and the placement of chairs and tables have been taken into account. The announcements should be much shorter and they should only adress Synergy matters, no other events or schools or teachers. Other teachers should not have an oportunity to announce on Synergy events. It is an offense to everyone who came to dance and paid entry. | 6/25/2017 4:23 PM |
| 2 | Doing a great job with community building overall! | 5/19/2017 2:07 PM |
| 3 | The anouncemts are always on time..the communication is clear. | 5/17/2017 5:36 PM |
| 4 | Na required. I cant always form an opinion on all questions. | 5/16/2017 12:21 PM |
| 5 | need more music variety, not just Golden Age | 5/16/2017 9:25 AM |
| 6 | Again difficult for me to comment. I would say that gluten and dairy free options at events would be most welcome. ! | 5/16/2017 7:55 AM |

| 1 | ^Dear Synergy, you have improved many things during the last 12 months. Great job, THANK YOU! However, there's one important thing. Could you please stop hosting or promoting performances, or anything related to that? Performances means both dance and live music orquestras. Dance performances do not enhance an event, they disturb the flow on the dancefloor, impose a break on those who come to dance and give a totally wrong idea on what tango is about. Music performances are mostly unpleasant to dance to and cause chaos on the dancefloor, which we already have enough of without live music. Please, for the future, could you eliminate any performances (and stage tango workshops) from your schedule and also make this point clear to the community: If you are after real, good quality tango, come to Synergy. | 6/25/2017 4:23 PM |
| 2 | Host an annual International tango festival | 5/23/2017 10:03 PM |
| 3 | If you need help to find an alternative or backup venue for Wednesday please ask people to help by checking things out locally and to come with some suggestions or contacts. | 5/19/2017 2:07 PM |
| 4 | Keep friendly, embrace newcomers. Think of incentives to encourage attendance. | 5/17/2017 5:36 PM |
| 5 | Forget Petersham Town Hall as a venue. | 5/17/2017 7:54 AM |
| 6 | Golden age dance classics should form the majority of playlist selections. | 5/17/2017 6:34 AM |
| 7 | Deliver consistent quality of music. | 5/16/2017 8:53 PM |
| 8 | The music is the most important item | 5/16/2017 7:09 PM |
| 9 | Keep up the good intentions for helping students. Keep making student's interest the priority, not the schools!! Tell those teachers that blame synergy for their own issues to get their own support association. I don't want synergy resources going to the schools. It is for the students. Don't let the schools drain your resources ie synergy time, people or other types of resources. | 5/16/2017 12:21 PM |
| 10 | Music for práctica should be easy to find a beat and practice to. | 5/16/2017 11:21 AM |
| 11 | It's hard working in a committee getting consensus but be more adventurous with ideas and events! | 5/16/2017 10:31 AM |
| 12 | Shorter announcements please | 5/16/2017 9:49 AM |
| 13 | Practicas should always be guided by teachers. | 5/16/2017 9:48 AM |
| 14 | Committee always does a good job, given voluntary status, friction & egos. Major events are always well organised. Recorded tango music stretches over 100yrs, maybe we could have more variety from DJs rather than just golden age. | 5/16/2017 9:25 AM |
| 15 | Be identifiable, promote the tango cause during activities, mix, mingle, with the crowd so people feel a sense of belonging | 5/16/2017 8:45 AM |
| 16 | Improve communication with your members. | 5/16/2017 8:25 AM |
| 17 | Not easy to answer some of these questions as I have only been a member for 8 months and live out of Sydney. And it looks like to me that you are all doing a great job ! | 5/16/2017 7:55 AM |
